WHAT TO BRING TO CAMP

Note: Some items are essential and some are suggestions for those parents with little or no experience in winter sports. It is extremely important for the kids to be warm and comfortable to have a much better and enjoyable experience.

- **Ski jacket and pants.** We suggest waterproof and insulated materials to keep your children dry and warm. Also, high-rise ski pants (with suspenders or bibs) protect better from snow getting into your pants.
- **Base layer and mid-layer.** We suggest merino wool base layers and insulated mid-layers for optimal warmth and breathability.
- **Snow gloves.** Mittens are normally warmer than regular gloves. We suggest using “hand warmers” for colder days.
- **Beanie or tuque.** Pom-poms do not fit under the helmet, use a regular beanie or tuque.
- **Goggles.** Protect the eyes/face from the wind, snow and the cold.
- **Ski socks.** Wool socks are generally warmer than synthetic materials.
- **Back pack.** Big enough to fit all the ski gear in it to avoid losing items.
- **Lunch bag & water bottle.** Snacks and water for the full day.
- **Neck warmer.** Provides extra warmth for the chest and face.
- **Face mask.** Some people wear it when is very cold instead of the neck warmer and beanie.
- **Helmets are mandatory!** Everyone must wear a helmet, no exceptions.

NAME TAGS

Please make sure your children’s gear and clothes have name tags on them. It’s easier to recognize their belongings and it helps to reduce the risk of losing them.

LUNCH & SNACKS

Campers must bring a water bottle and a lunch bag with food and snacks for the day. Please, allergy-friendly food only and no sharing food with other campers.

ELECTRONIC DEVICES

Do not bring any electronics to camp please! We are not responsible for lost or stolen items. Cellphones to call home are ok as long as they keep them in their backpacks.

FAMILY DISCOUNT

5% off the 2nd camper, **10% off** the 3rd or more campers. Discount applies for the camp fee only and not for all additional services. Campers must be siblings to qualify for the discount.

TAX DEDUCTIBLE

Canadian residents can deduct camp fees as childcare expenses. Request your Relevé 24 at the end of the year.
